Report of the Secretary-Treasurer for 1929

I beg to submit the following report of the activities of the Society during the past year.

FINANCES

During the past year the Society spent \$450.00 as set out in the Financial Statement, and ends the year with a credit balance of \$39.71.

MEMBERSHIP

The membership shows an increase, due to the activities of some of our older members, and now stands at thirty-seven.

PROCEEDINGS

Number 26 of our Proceedings has just been issued, and is the largest and best published for many years. The cost was considerable due to the number of illustrations which absorbed over \$70.00 of the total of \$307.00.

A large number of requests have been received for our back numbers which continue to be in demand. Two sets have been sold.

LIBRARY

The library continues to grow, over 200 bulletins, etc., have been received in exchange and have been added to our collection. These are to be catalogued shortly. Some rebinding was done and a further book-case purchased.

ADVISORY BOARD

One meeting of this Board was held during the year, when the matter for the Proceedings and other business was dealt with. Two meetings of the special committee on the Handbook for Teachers were held when the submitted articles were considered. It is hoped to have the matter ready for the printers shortly.

Respectfully submitted,

R. GLENDENNING,

Hon. Secretary-treasurer

March 5, 1930.
